## ELF CARD

### INSTRUCTIONS

**Shoes:** Use the Big Shot machine and Nestabilities die 3" Label One to cut out shape from the 5" x 5" red cardstock. Cut shape in half, then quarter pieces. Use the 1" circle punch to punch out notch to create elf's shoes. Fig 1.

**Legs:** Cut Doodlebug stipe paper strip in half. You will need two pieces size .5" x 3". Glue shoes to legs. Fig 2.

**Ruffles:** Use the 1.5" scallop circle punch or flower punch to punch out 1 red and 1 green cardstocks. Cut shape in half, and then trim the top. Glue to the elf's leg. Fig 3.

Use the boarder punch to punch the 1.5" x 4" piece of the red cardstock. Glue the .5" x 4" Polka dots paper on top.

**Card:** Fold 5.5" x 8.5" red card stock in half. Take the 4.25" x 5.5" piece of the green cardstock trim off 1/8", trim white cardstock 1/4" off. Place green cardstock on top of the card, use double-stick tape to adhere. Position elf legs and embellishing pieces on top of the white card stock, glue in place. Glue the white cardstock on top of the card.

Make 2 bows from the ribbon, use the glue dots to glue to elf's legs.

Punch 2 circle from the 5/8" circle punch, glue to tips of shoes.
