POCKET BUNNY TREAT HOLDER

INSTRUCTIONS

Trace and cut out pieces from felt according to the patterns. Glue the cut-out bunny onto the remaining 3" x 6" felt. Cut out bunny shape so that you have a bunny that is double thickness.

Place the pocket shape onto the bunny, aligning with the curved bottom edge. Glue to the bunny, just around the edges so that the top is open.

Turn bunny over. Dip just the pencil's eraser tip into the brown acrylic paint. Use the pictured sample as a guide and make three dots onto the bunny for the eyes and nose. Let dry.

Place a small wrapped candy or treat into the back pocket. Slip the bunny into the clear cello bag. Cinch the top of the bag closed and tie with a ribbon bow.
