Bent nose pliers

1. Cut chain to your desired length.
2. Using a jump ring, attach a clasp to the end of the chain.
3. Find the middle of the chain, add a jump ring to the chain and attach one of the black jewels.
4. On the bottom of the jewel attach another jump ring and attach a metal bow.
5. Take 1 inch of wire and make a small loop at one end. String the bead onto the wire, loop the other end, and set aside. Repeat 3 more times. Use a jump ring to attach the 4 beads to the bottom on the bow.
6. For the earrings, attach a jewel to the bottom of a bow with a jump ring. Take 1 inch of wire, string on a bead, loop the end and set aside. Repeat this with another bead. Attach the two beads to the bottom of a bow with a jump ring. Attach the bow to an ear wire. Repeat steps for the other earring.
